## QUILTING INSPIRATION

*"One sees clearly only with the heart.  
Anything essential is invisible to the eyes."*

— The Little Prince

We challenge you to explore the depths of this timeless and inspirational adage from Antoine de Saint-Exupéry's *The Little Prince* and submit your most imaginative interpretations in the form of art quilts to *Art Quilting Studio*.

## ART JOURNAL QUILTS

Whether you use fabrics, papers, or both, we challenge you to submit art journal quilts that leave no stone unturned in terms of mediums, techniques, sizes, colors and aesthetics that are used. Burn, tear, melt, stitch, quilt and journal to your **heart's** content and share the results with our readers!

## AND MORE

We also seek quilts that reinterpret classic designs, utilitarian objects that are quilted, vintage quilt tops transformed into decorative and/or functional objects, black-and-white images interpreted into a quilt, and quilts using unique surface treatments. But don't stop there. Follow your **heart** and share all of your ideas with us as we discover the magic and wonder of *Art Quilting Studio*.

**Please send your submissions no later than January 4, 2009 to:**
